

REMARKS:

Claims 1 - 17 have been cancelled in lieu of new claims 18 - 36 to remove multiple dependencies, fix unintentional typographical errors, and conform the claims to U.S. practice. Applicant asserts no subject matter has been relinquished by these amendments.

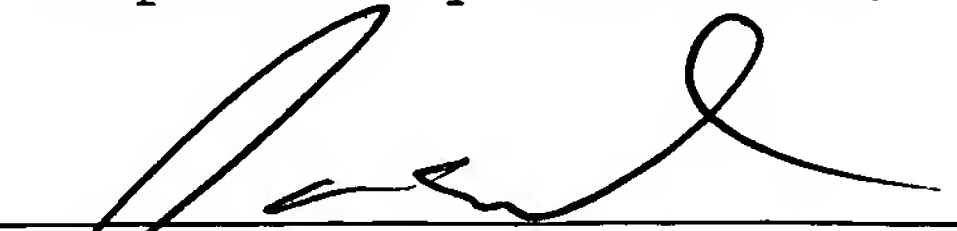

Additionally, the specification has been amended to fix unintentional errors. Accordingly, in compliance with 37 C.F.R. 1.125, Applicant has submitted a substitute specification herewith. A marked-up copy of the specification is included herewith as ATTACHMENT B, and a clean copy of the specification is included herewith as ATTACHMENT C.

The amendments to the claims and the specification do not introduce new matter within the meaning of 35 U.S.C. §132. Accordingly, entry of the amendments prior to examination is respectfully requested.

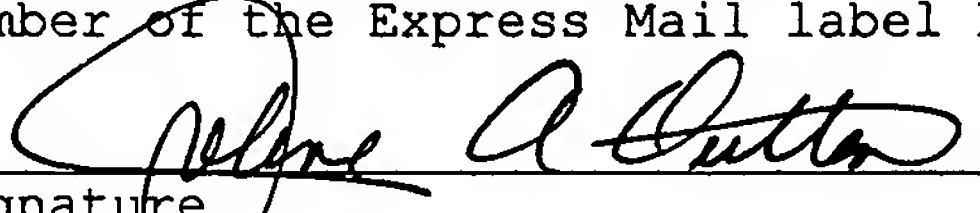

The Commissioner is hereby authorized to charge or deposit any deficiency or over payment to U.S. PTO Deposit Account 08-2336.

Respectfully submitted,
